* NRSC 709 and NRSC 712= 135 direct clinical hours each course

* NRSC 714 and NRSC 715 =180 direct clinical hours each course

If the student is requesting transfer credit for **Advanced Physical Assessment, Advanced Pharmacology, and Advanced Pathophysiology** coursework must have been completed no more than 5 years prior to matriculation into the program and complete an online diagnostic reasoning test for the 3Ps with a pass score of 80%.

- If coursework was taken greater than 5 years prior to matriculation into the program, student must enroll in all three courses for credit.
- If student is an actively practicing advanced practice nurse (NP, CNS, CRNA, Mid-Wife) or CNL and desires to change their specialty to the Family Nurse Practitioner they must submit syllabi from previous master's or post-master's nurse practitioner program for evaluation of equivalency.
- If student is an actively practicing advanced practice nurse in (NP, CNS, CRNA, Mid-Wife) or CNL, NRSC 604 Advanced Physical Assessment can be waived after demonstrating competency using the rubric for the final head to toe exam of NRSC 604.

For completion of the program, a student will complete **630 direct clinical hours** as part of the Family Nurse Practitioner portion of the program (through clinical rotations).
