

TOURO UNIVERSITY
C A L I F O R N I A

**JOINT MSPAS/MPH PROGRAM
INFORMATION SESSIONS**

What?

The Information (Info) Sessions were started a number of years ago to provide background about the PA and Public Health professions. Information about the Touro University California Joint Program covers the prerequisites, current data about the Program, and the curriculum. The Info Sessions allow you to ask questions in a relaxed atmosphere – and hear the questions others ask, which may answer questions you didn't know you had. The Info Sessions are generally led by the Program Director, with current students usually joining us towards the end of the evening to answer your questions. Water and snacks are provided.

Where?

The Info Sessions are held in the Farragut Inn on the Touro University California campus, in a classroom used by PA students. There will be signs posted in Farragut directing you to the classroom. This is the old Officer's Club from the campus' days as a naval base. Farragut Inn is building #6 on the map on the other side of this page.

When?

Info Sessions are always held 6-8pm on Monday nights, with time for questions both during and afterwards. There are usually six or seven sessions per year, generally beginning in April, and ending in October. Dates are posted on the website in February or March.

Who are they for?

The Info Sessions are for applicants at all points of the application process – from those who are just starting to think of going to PA school (not even necessarily to Touro!), to those who are in the middle of applying. One of the Info Sessions held early in the year is aimed at applicants who have applied unsuccessfully in the past, although anyone can attend. We love it when support people accompany the applicants: parents, spouses, significant others, friends, etc. They often have good questions that applicants may forget to ask. The only people we discourage from attending are those who are about to interview at our Program.

How do I sign up?

The RSVP form is on the landing page for the PA program: paprogram.tu.edu. If there is no RSVP form, the upcoming Info Sessions have not been announced yet. This event is free of charge.

LEGEND

- 1 Lander Hall
- 2 Administration/Faculty Bldg I
College of Osteopathic Medicine
- 3 Administration/Faculty Bldg II
College of Pharmacy
- 4 Library
- 5 Wilderman Hall
- 6 Farragut Inn/Student Union
- 7 Translational Clinic/Student Health Clinic
- 8–15 Unoccupied

Extended Campus Buildings

- 16 Nursing (1091 Azuar Drive)
