

1. Preparation - The Program will adequately prepare the student for his/her clinical and public health experiences.
2. Assignment - The Program will be responsible for assigning students to clinical and public health sites that will provide a quality learning experience.
3. Objectives - The Program will provide learning objectives for clinical experiences to students and preceptors. The Program will evaluate the student's competency based on the objectives.
4. Affiliation Agreements - The Program will develop and maintain affiliation agreements with all clinical and public health sites.
5. Insurance - The Program will ensure that all students have current malpractice liability insurance.
6. Student Health Insurance - The Program will also ensure that all students have current health insurance and immunizations.
7. Grading - The Program will be responsible for assigning a final grade to every student for all rotations.
8. Problems - The Program will interact with all preceptors, sites and students and be available to respond to any problems or concerns. Should problems arise at the site, the Program retains the right to remove a student from a rotation.
9. Health and Safety - The Program will interact with preceptors and sites to help maintain patient safety. Any student whose actions directly or indirectly jeopardize the health and safety of patients, faculty, clinical site staff or fellow students may be immediately removed from the clinical site and/or face disciplinary action. This action may prolong the length of the Program and result in a delay of the student's graduation.
